- For more information: info@puntok.it
- **Technical infos:**

Permanent course: In the race zone there are some painted wooden stakes, those are part of the permanent Globojner course and are not part of the race course.

Stake example

Paths: Some minor paths could be hidden by the vegetation, there could also be some wild animal paths.

Fence: In the race zone there is a particular fence for animals pasture, (it is marked on the map with the symbol 516: Fence). This fence isn't electrified but requires attention while crossing it because it includes an iron wire in the mid-low part of it. The cross of this fence is required only by Rosso and Nero courses.

The fence

Low walls: In various parts of the map there are some low walls, marked on the map with the limit of vegetation symbol(416) like the following image:

Low wall marked on the map

Low wall on the terrain

Electric lines:

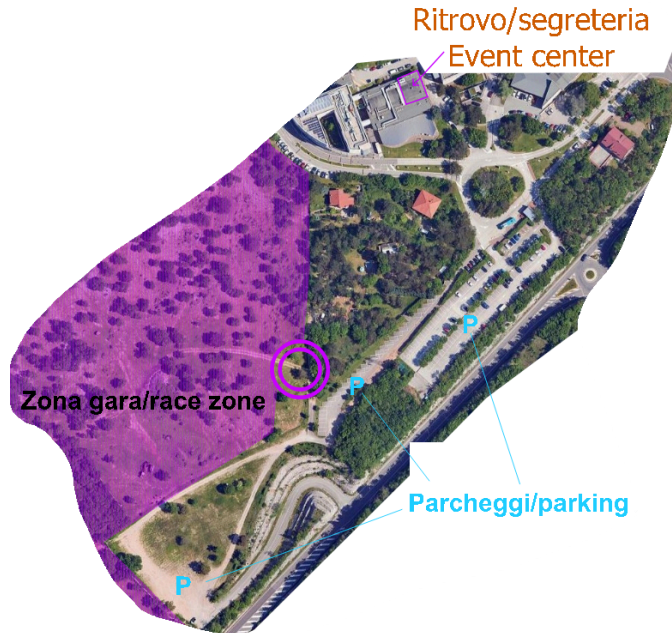

In the map there are some major power lines that's marked on the map like minor power lines to help the readability of the map.

Trenches:

The race zone includes some trenches, mostly in the west part of the

map, they are marked on the map with the symbol of small erosion gully (108) to help the readability of the map.
